SUMMARY

Detail-oriented Computer Science student with a strong foundation in full-stack web development and software engineering principles. Proven ability to build responsive, user-friendly applications using HTML, CSS, JavaScript, and MySQL. Seeking an entry-level opportunity to apply problem-solving skills and contribute to impactful projects in a collaborative team environment.

EDUCATION

Karpagam College of Engineering, Coimbatore

Expected Jun 2027

B.E. in Computer Science

GPA: 7.8/10.0

Relevant Coursework: Data Structures, Algorithms, Operating Systems, Database Management Systems, Object-Oriented Programming

Kongu Matriculation Hr. Sec. School, Namakkal

Apr 2023

Higher Secondary Certificate (12th Grade)

Percentage: 78%

TECHNICAL SKILLS

- **Languages:** Java, C, JavaScript, HTML5, CSS3, SQL
- **Databases:** MySQL
- **Developer Tools:** Git, VS Code, Eclipse IDE, Dev C++
- **Core Concepts:** Web Development, Data Structures, Algorithms

EXPERIENCE

Clover Technologies, Coimbatore

Sep 2024 – Oct 2024

Student Developer Intern

[Internship Certificate](#)

- Developed responsive front-end modules using HTML, CSS, and JavaScript to boost user interactivity.
- Practiced agile methodologies and Git version control in a 3-member development team.
- Delivered a functional dashboard prototype on schedule, optimizing front-end assets for faster load times.
- Communicated with stakeholders to gather project requirements and deliver regular progress updates.

PROJECTS

AI-Powered Task Manager

[GitHub Repository](#)

- Engineered a full-stack task management application using HTML, CSS, and JavaScript, integrating a MySQL backend for data persistence.
- Implemented key features including dynamic task prioritization, drag-and-drop functionality, and responsive design.

Movie Ticket Booking System

[GitHub Repository](#)

- Developed a dynamic, web-based movie ticket booking platform allowing users to browse showtimes and select seats in real-time.
- Integrated user authentication and booking history with a MySQL database to ensure secure user session persistence.

EXTRACURRICULAR ACTIVITIES ACHIEVEMENTS

- Applied teamwork and strategic thinking to win the inter-college Kabaddi championship (Sep 2023).
- Secured a runner-up finish in college Volleyball through effective team collaboration (Sep 2023).
